Steven Benson, Adjunct Professor of Christian Counseling
Email: benson@erskine.edu

CC 605 Addiction: Theories and Interventions

Week Long Intensive; June 21 - 25; 9:00am - 5:00pm

An overview of the problems associated with alcohol and drug abuse, the characteristics of the addictive personality, and the treatment approaches for dealing with alcohol and drug clients.

Steve earned a Bachelor of Arts in Bible with minors in youth ministry and counseling from Covenant College. He also earned a Master of Divinity degree in Missions from Reformed Theological Seminary (MDiv) in 2002. In 2009, he completed a Master of Arts in Counseling from Covenant Theological Seminary (MAC). Steve also earned a Doctor of Educational

Ministries in Biblical Spirituality and Leadership from The Southern Baptist Theological Seminary. Steve is a Licensed Clinical Mental Health Counselor Supervisor (LCMHC-S S7763) and a Licensed Clinical Addictions Specialist (LCAS) in North Carolina.

Dale Johnson, Professor of Church History
Email: djohnson@erskine.edu

CH 551 Survey of Church History

Thursdays 6:00pm - 9:00pm, Beginning May 13

This course surveys the history of the Christian church from its origins to the present time. Within the broad sweep of the four main periods of the church [early (50-600), medieval (600-1500), Reformation (1500-1650), and modern (1650-present)], students consider key persons, dates, developments, movements, and theological concepts.

Dr. Johnson is a popular preacher and inspiring classroom teacher. He particularly enjoys taking students and other groups to study Reformation church history in Germany. He serves as an elder in the Presbyterian Church in America.

Brittney Burke, Adjunct Professor of Christian Counseling

Email: burke@erskine.edu

CC 510: Psychopathology

Hybrid: Online & Greenville on 7 Tuesdays: 5/18, 5/25, 6/15, 6/29, 7/20, 7/27, 8/10, 5:00-8:00 pm.

This course provides a deep understanding of psychopathology, abnormal psychology, abnormal behavior, etiology dynamics, and treatment of abnormal behavior.

Guiding, helping, and working with people to help them grow and make changes is the path that Brittney chose as focus for her career. Brittney believes that God placed her in the field of counseling, to provide guidance, offer tools for others, and teach others. Brittney has over

14 years experience in the pharmacy and 5 years teaching pharmacy, so she understands the medication side that may accompany therapy. Brittney has a Bachelors in Psychology and a Master's in Clinical Mental Health Counseling with a graduate certificate in counseling addictive behaviors as a specialty. Brittney has previously worked as an addiction counselor, where she was able to combine mental health, addiction, and medication all into one. Focusing on co-occurring disorders and helping individuals find ways to cope are Brittney's specialties.
